Chuck E. Cheese's attempts to provide nutrition and ingredient information regarding its products that is as complete as possible. While the nutrition and ingredient information is based on standard product formulations, variations may occur depending on the local supplier, the region of the country and the season of the year. Further, product formulations change periodically. Serving sizes may vary from the quantity on which the analysis was completed. The Dietary Guidelines for Americans recommend limiting saturated fat to 20 grams and sodium to 2,300 milligrams for a typical adult eating 2,000 calories daily. Recommended limits may be higher or lower depending upon daily calorie consumption. If you need further information or have food sensitivities and/or dietary concerns regarding specific ingredients in specific menu items, please visit our website (www.chuckecheese.com) or call us at 972-258-5449. This listing is effective as of August 2012.

For a complete listing of Nutritional Information, Ingredients and Allergens, please visit www.chuckecheese.com. Updated August 2012.
